

Practical information meetings 11 and 12 January

Travel from Schiphol Airport to Novotel Hotel

Please be aware of the fact that there are two Novotel Hotels in Amsterdam. So please do not go to the Novotel hotel on Schiphol.

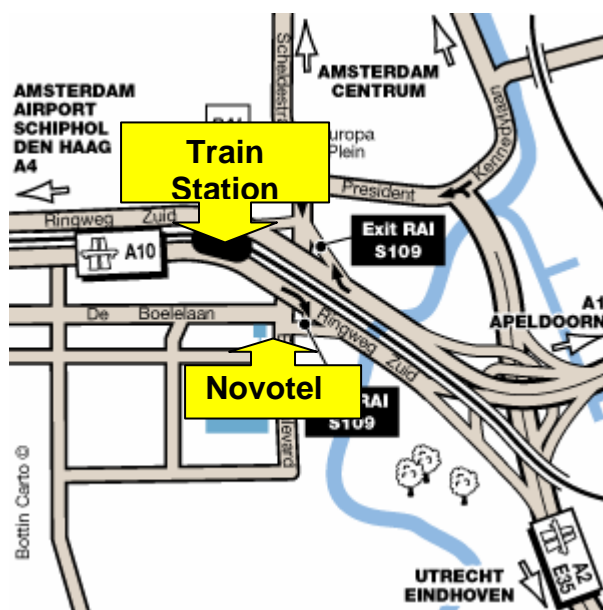

The best option is to take the train in the direction Utrecht-Hilversum (leaving at 10 and 40 minutes past every hour, platform 1-2) or direction Lelystad (leaving at 27 and 51 minutes before every hour, platform 1-2) and go to station Amsterdam RAI. This train trip takes only 11 minutes. From Amsterdam RAI to the Novotel is a short walk in southern direction of approximately 5 minutes (see map below).

I would advise you to use the touch screen machines (which have the possibility to switch to English) or buy a ticket at the counter. A one-way ticket costs 2.50 euros (second class), for first class you pay 4.20 euro.

Information Hotel

I have made reservations for everyone who has asked for it in the Novotel hotel. We do however expect you to pay the hotel yourselves.
